Dear Patients:

It is with mixed emotions that I am announcing the closure of Roaring Fork Gastroenterology, effective **April 30**. It has been a great pleasure providing for your health care needs over the years, and it is not easy for me to be leaving Western Colorado.

Your medical records are confidential and will be maintained by Dr. Collins for 7 years. A copy can be transferred to another doctor or released to you, or another person you designate, only through your permission. A Release of Information Form is available for download from our website, www.roaringforkgi.com. If you would like to release your files to another physician, please print, complete and sign the authorization form and return it to my office as soon as possible. The form can be dropped off in person. It can be faxed to 1-888-410-2644. It can be emailed to drcollins@roaringforkgi.com.

Given the fact that RFG will be closing, many of you will need to find a new Gastroenterology provider. I recommend that you consider a visit with either Dr. Stephen Laird 970-926-6340 ext 6309 or Dr. Brent Prosser 970-242-6600 for future care. I urge you to discuss recommendations for a provider with your Primary Care Physician. Additionally, you can also visit the following website to see a list of available doctors in the area:

I have greatly valued our relationship, and thank you for your loyalty and friendship over the years. Best wishes for your future health.

Sincerely,

Jason M. Collins, MD
